1. There shall be no smoking near or in the church buildings.
2. Alcoholic beverages shall not be served or made available on the church premises at any time. No wedding or rehearsal will be conducted when any member of the wedding party is under the influence of alcohol or another abusive substance.
3. Fresh flower petals may be strewn in the aisles only if runners are used.

7. Music used during the service must be approved by the pastor or pianist. The church pianist shall be used for all wedding ceremonies held at the church unless special consideration is granted by the pastor.
8. All decorating must be approved by the pastor. The sanctuary has been carefully planned and has been designed as a worship setting not requiring additional decoration. Consult with the pastor before any additional decorating is considered. Under no circumstances may the altar furniture be rearranged or removed.
